Ideally summaries should be structured around these sub-headings which may be amended to suit your topic, but if they are not appropriate for your presentation, please ask for advice from the Secretariat.

This Summary will be printed verbatim in the Convention Handbook and it is your chance to explain - in between 200 and 400 words - why other participants should come and listen to you!

When you access the Summary Submission Form, you may add up to 4 co-authors' names, job titles and organisations can be added, the Workshop and Topic selected and your summary text can be input to the set of boxes carrying these headings. These boxes have a count facility with a total showing after the last box, so you can check that you have input the right number of words (min. 200, max. 400).

Please contact the Convention Co-ordinator, Maggie Hall, secretariat@enterprisepromotion.org if you are having any trouble submitting your summary on-line.
